HAINES FRIENDS OF RECYCLING (HFR)

CAREFUL SORTING AND CLEAN MATERIALS ALLOW US TO RECYCLE 100% OF WHAT WE COLLECT! Community support from memberships and donations, free back haul from AML for 6 vans, grants from Haines Borough, Chilkat Valley Community Foundation (CVCF), and American Seafood, and volunteer efforts allow us to recycle about 250,000 pounds per year. In addition to all the materials we recycle (see other side), we loan out recycling containers and sell compostable service ware for large events. We are happy to speak to your organization or group about recycling. We also have scholarships for high school students, graduates, or community members planning career development in renewable energy, energy conservation, or environmental studies, environmental policy, recycling and resource management, or a related field.

Call 766-3000 or 766-2185 for more info.

HFR is a 501 (c)(3) non-profit. All contributions are tax deductible to the extent allowed under the law.

MATERIALS TAKEN AT FRIENDS OF RECYCLING (2.5 Mile Small Tracts Rd.)
PLEASE CLEAN all tin cans and aluminum cans/pie plates/foil, REMOVE paper labels, flatten cardboard, and carefully SORT all recyclables. 100% of what we take is recycled!

PAPER PRODUCTS

White paper: Any white paper that is not shiny, including envelopes with windows.

Low grade/mixed paper: Colored and shiny paper, catalogs, magazines, paper bags, cereal/soda/beer boxes and compressed paper cartons, egg cartons, etc. (any non-white paper).

Cardboard: Corrugated paper boxes - look for ripple layers. *Please flatten to save space.*

Shredded white paper: White paper shredded into strips. *Must be bagged. Please use cross-shredded paper for compost; it's too small to recycle.*

Newspaper: All types, but put colored or shiny inserts into low grade/mixed paper.
